# Diamond Class Newsletter

In Geography this week, we explored various Ordnance Survey maps, looking at the different symbols and learning how to identify and record 4-figure grid references.

During our maths lessons this week, it has become clear that many children cannot tell the time to the nearest 5 minutes, reading an analogue clock. Please can you practise this at home by regularly asking for them to tell you the time.

Here are some useful websites too:

<https://www.topmarks.co.uk/Search.aspx?q=time>

<https://www.teachingtime.co.uk/index2.html>

Coming up next week - Learning	Way to support at home
<p data-bbox="193 1525 794 1675">In Maths, we will continue our learning on time, looking at units of time and converting between them e.g. minutes to seconds, hours to minutes etc.</p> <p data-bbox="193 1720 794 1870">In English, we will begin to invent our own 'Impossible Places' linked to our class book which we will use to plan and write additional chapters.</p>	<p data-bbox="801 1525 1396 1637">Read at least 5 times a week. Please ensure reading is recorded in the reading record books each week.</p> <p data-bbox="801 1682 1396 1794">Mathletics – some children still have several outstanding pieces of home learning on mathletics.</p> <p data-bbox="801 1839 1396 1977">TTRS or other times tables practise. Practising on Soundcheck will support children in preparation for the Multiplication Tables Check.</p>
