

**Art** - To overprint using more than one colour in the style of Mayan art.

**DT** - To create a frame structure to represent a Mayan temple.

**Computing** - To use tools within a database to order and answer questions about data and to create graphs and charts from their data to help solve problems.

**English** -

Narrative about myths and explanation texts about mythical creatures. A narrative based on 'The Last Alchemist' and a recount about the last day of the millennium.

**Geography** - To study similarities and differences between countries around the world (North and Central America and the UK). To understand about different climate zones, and use vocabulary such as times zones, latitude and longitude.

**History**- These two terms will have a big history link. The children will study a non-European society - Mayans and look into the history of exploration.

**Maths**- reasoning with fractions, multiplication and division, statistics

**Music** – musicianship – To understand the texture, timbre, structure and texture of music using the key song 'Make you feel my love' by Adele.

**RSE/PSHE**- Dreams and Goal – Term 3. Healthy Me – Term 4

**PE**- Dance – to perform with clear dynamics; Invasion Games – implementing and kicking; Gymnastics – taking off and landing (flight); Striking and fielding games.

**RE**- What does it mean to be a Muslim in Britain today?

**Science**- Identify properties of materials.

Would you worship the sun?

Fiction texts:

Mythopedia by 'Goodwives and Warriors'

The Last Alchemist by Colin Thompson

To immerse our learning, we will have blue drapes to represent a waterfall and natural colours throughout as well as a Mayan temple backdrop to support our project.

Project launch:	What did it look like?	What was life like?	How did they progress?	How do we differ?	Project outcome:
Mayan timeline Hieroglyphs Food and farming Mayan myths Mayan Sports	Properties of materials  Printing – Overprint using more than one colour	Ancient civilization presentation	Frame Structures - temples	Study similarities and differences between countries around the world (North and South America).  Climate zones - Times zones, latitude, longitude  Explanation leaflet	Museum for parents and other visitors to school
