Leaver's Pantomime

Very impressed to see that all the children had learnt their lines and have been able to go without scripts this week!

Geography

Plate tectonics and focus on the Ring of Fire this week – The children found this fascinating and we will move on to different types of plate boundary movements next week.

P.E

The children had a special treat this week: the school had booked a fencing session for them with Swift Sports. They all seemed to love this experience as you can see in the below photographs.

Leaver's Play

We have talked about what the children need to wear (mainly home clothes) to go with the props with have at school. Please could they bring the clothes they are wanting to wear into school early next week as we are doing a dress rehearsal next Wednesday to the school.

Home Learning:

Go through scripts and check clothes for the play are in a named bag.

Upcoming Dates....

10th July – Dress Rehearsal performance to the school (all classes and teachers)

15th July – Leaver's Pantomime performance to families – 6pm – 8pm

20th July - Cattle Country Leaver's party (organised by parents for whole class)

21st July – Wotton Pool party (parent organised for whole class – see A Carter for details)
