

Amethyst Class Newsletter

English

Our class book this term is Beowulf. This week we have looked at the characterisation of Grendel (the monster). The children have also written explanation texts.

Maths

Revision of prime, square, triangle numbers, multiples and factors through problem solving activities.

Science

Looking at fossil evidence and how it builds a picture of evolution of different species.

Cycling

28 children have completed their level 2 cycling this week and will be getting their feedback and certificates this week.

Home Learning:

TTRS – keep those skills fresh with some tables practise.

Learn scripts and song words for the panto.

Upcoming Dates....

28th June – INSET day

3rd July – KLB school transition

4th July – Chipping Sodbury School transition
