Our learning this week...

How Can We Make Life Fair?

Geography

This week we have been researching Fair Trade to find out more about how it works, when it was set up, what products it involves. The notes will be used next week to write a non-chronological report.

Maths

Our topic this week has been multiplying and dividing numbers by 10, 100 and 1000 including decimals.

English

We have been reading and writing non-chronological reports this week.

Home Learning

The children have been given their home learning project this week see below:

Science

(classification of living things) - Fungi (mould) Investigation

Observation over time

What happens to a piece of bread if you leave it in a plastic bag for two weeks?

Describe your findings.

Keep a daily record of any changes or mould development Present your findings however you choose: photographs, report, graph, chart

etc.....
