

# Amethyst Class Newsletter

English – The children have been busy finishing their stories and editing with a partner.

Maths – We have been developing confident pencil and paper methods for multiplying by a 2 digit number.

Geography- This week we have been sharing our research into renewable and non-renewable energy. The children produced amazing posters and presented their findings clearly and confidently.

Term 1- I have been impressed with the children’s learning and attitude towards their learning this term. They are all doing really well and have made such a positive start to the year.

Parents’ Evenings: it was great to meet with you and discuss your child’s progress. Hopefully you got the chance to look though the children’s books too.

<p>Coming up next term Learning focused</p>	<p>Way to support at home (home learning)</p>
<p>Science – Human Body Unit D/T – Fair Trade baking History- Ancient Greeks Maths- Division English – Writing a persuasive text</p>	<p>Please ensure children are doing their Mathletics, TTRS each week – new learning is set on a Thursday.</p>

*Have a lovely Half-Term Break!*

Key dates coming up:  
In school, Parliament week visitor to year 6 : 12<sup>th</sup> November
