

# Amethyst Class Newsletter

We have launched our project for this term with a WW2 Evacuation day on Tuesday. It was lovely to see all the children dressed up as evacuees and they were very excited to show each other their costumes! The morning was spent preparing for evacuation: making gas masks, labels and ID cards. By the end of the morning, we were all ready and the children were 'evacuated' to the countryside to live with new families.

Maths- We have started our unit on fractions and begun by simplifying fractions and ordering and comparing.

English – Our new class book is called 'Letters from the Lighthouse.'

<p>Coming up next week Learning focused</p>	<p>Way to support at home (home learning)</p>
<p>Science – Light Art – Painting skills History- WW2 Maths- Fractions English – Writing linked to class book.</p>	<p>TTRS, Reading and Mathletics</p> <p>Historical research. We are learning about life in 1940s/WW2 Britain, I would like you to find out about a member of your family who lived in the 1940s. You may have to ask other family members for stories they have been told as the person may no longer be living. You should write some questions first about what their life was like. Once you are ready, carry out your interview either with the relative themselves or someone who knows about their life. Present your historical findings however you choose, a video of your interview, a power point, a report, etc... Email your report or bring into school by February 7th so we can share in class the following week.</p>

Key dates coming up:

Young Voices 14<sup>th</sup> January (Leave school 11am)
