

Amethyst Class Newsletter

History-We have thoroughly enjoyed listening to the children's home learning this week and they have really put effort into their presentations.

Maths- Reasoning with shapes (2-D and 3-D).

English – Finishing the historical narrative and editing carefully before handing them in to be marked.

Art – Continuing with our painting skills and abstract art. We have created the backgrounds for our final 'war' abstract pieces.

Online Safety workshop. On Monday, the children had a hour long drama session entitled 'Game Over'. They explored the online safety issues with gaming and also looked at how to identify scams and dangerous content.

Coming up next week
Learning focused

Way to support at home (home learning)

Science – Electricity
Art – Abstract Painting
History- WW2 enquiries
Maths- Statistics
English – Writing a balanced argument.

Over half term, make sure you keep up with your reading and don't forget to log any reading.

Mathletics has been set and you have TTRS and SATS books when you have a free moment over the week.

Key dates coming up:

Year 6 Fire and water safety 5th March

World Book Day 6th March
