Diamond Class Newsletter

It has been a busy couple of weeks including our brilliant trip to the M Shed and walk around Bristol. We spent some time learning about the history of Bristol including the slave trade and looking at the statue of Edward Colston and protest displays. Following this, we went for a walk around the harbourside, seeing various sights (coloured houses, S.S. Great Britain, The Matthew, Cabot Tower and a Banksy painting) before finishing at the Avon Gorge viewing point where we sketched the Clifton Suspension Bridge. It was a wonderful day.
