

27.09.2024

Diamond Class Newsletter

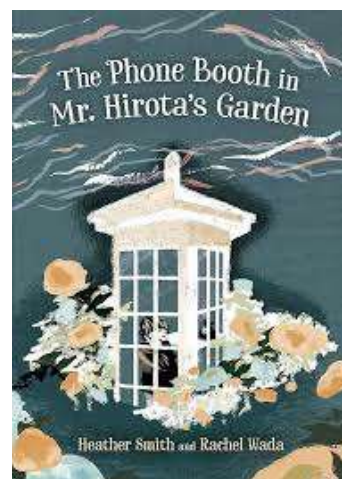

This week in maths we have been rounding numbers to the nearest 10,100 and 1000 including solving many complex problems. We have also been adding and subtracting 10, 100 and 1000 to numbers.

In English, we have been writing news reports linked to the text 'The Phone Booth in Mr Hirota's Garden'. Alongside this, we have continued to read our class book 'Running Wild', learning a lot about life in the rainforest.

Applying our learning about different animal groups in science, we have been using classification keys or branching databases to sort various animals including those we met during our visit from Jungle Jonathon.

Important dates:

Wednesday 2nd October – Harvest festival at the church.
Please remember to bring in food items for donation.

Coming up next week - Learning	Way to support at home
<p data-bbox="193 1225 794 1373">Next week in maths we will be finishing our learning on place value before moving on to looking at multiples of 6, 7, 9, 25 and 1000.</p> <p data-bbox="193 1413 794 1601">In English, we will continue to use the book 'The Phone Booth in Mr Hirota's Garden' to develop character in preparation for writing our own version of the story.</p>	<p data-bbox="801 1225 1398 1332">Read at least 5 times a week. Please ensure reading is recorded in the reading record books each week.</p> <p data-bbox="801 1373 1398 1411">Mathletics</p> <p data-bbox="801 1451 1398 1639">TTRS – we will be learning our remaining times tables this year and as the Multiplication Check will take place in the summer, regular practise is vitally important.</p>
