# Diamond Class Newsletter

Our Egyptian day last Friday was full of lots of fun activities including: writing in hieroglyphs, having a mummy wrapping competition, mummifying a tomato and creating clay cartouches (plaques with our hieroglyphic names). Our mummies were judged on accuracy, neatness, style and the teamwork of the group. See below for the finished results!

In English this week we have been continuing our learning on mummification by writing short adverts persuading the reader to use our mummification services. We have also been practising using a range of adverbs.

In Maths we have been measuring and calculating the perimeter of rectilinear shapes (shapes made up of more than one rectangle).

17.01.2025

Our topic work this week has been focused on finding out where ancient Egyptians fit on a timeline of world history before timelining some key events within the ancient Egyptian period.

Coming up next week - Learning	Way to support at home
<p data-bbox="204 542 756 651">In maths we will continue our learning on area and perimeter, focusing on area.</p> <p data-bbox="204 696 735 768">In English we will be writing our own instructions for mummification.</p>	<ul data-bbox="858 542 1342 808" style="list-style-type: none"><li>- Read at least 5 times a week. Please ensure reading is recorded in the reading record books each week.</li><li>- Mathletics</li><li>- TTRS or other times tables practise.</li></ul>
