Diamond Class Newsletter

This term, we have rugby coaches from Gloucestershire Rugby Club leading a PE session on a Tuesday morning. The children have been developing many different skills whilst having a lot of fun.

Times tables:

It is vitally important that children continue to learn and practise their times tables at home. By June, they are expected to know the multiplication facts for all times tables up to 12 x 12. This doesn't just have to be done on TTRS. There are various other methods which can help. See this website for some ideas:

<https://whizz.com/blog/fun-ways-to-teach-times-tables/> We are practising regularly in class, but this isn't enough to secure and retain all the facts needed.

Coming up next week - Learning	Way to support at home
<p>Next week in maths we will be solving problems involving multiplication.</p> <p>In English, we will be focusing on adverbs and adverbial phrases. We will also be reading a short picture books called 'The Emerald Forest' which will inspire a short story.</p>	<ul style="list-style-type: none">- Read at least 5 times a week. Please ensure reading is recorded in the reading record books each week.- Mathletics- TTRS- Home learning project – Rainforest Layers models.

Dates for your diary:

- Ukulele performance – Tuesday 3rd December at 9:30
