

Jet Class Newsletter

We have had a fantastic week in Jet Class and learning is well underway. The children enjoyed our historical walk around Wickwar on Wednesday and were engaged with the stories and information they heard. Mrs Price accompanied us and we apparently walked just over 4000 steps!! In Maths we have been consolidating our understanding of place value and knowledge of numbers to 100. In English we have started off by consolidating our understanding of sentence structure and specific grammatical terms. In Science we have revised our knowledge of different animal groups and the characteristics of each.

Key dates coming up:

INSET Day - Friday 11th October

Trip to St Augustines Farm - Monday 14th October

Coming up next week

In English we will start reading our class text 'Click Clack Moo Cows That Type'. We will be doing lots of drama activities around the story to inspire our learning.

In Maths we will continue our unit on place value and using the less than, greater than and equal to symbols.

Ways to support at home

Reading x 5 a week

Mathletics task:
Counting forward and backwards to 100
