

Jet Class Newsletter

The children have been hard at work this week applying their multiplication skills to solve word problems and missing number problems. In English, they have started to plan ideas in order to write an alternative scene for our class text, Hom. On Wednesday the children enjoyed a tennis taster session with a tennis coach for their PE lesson. Thursday was a very special day in school marking World Book Day. We celebrated 'the magic of reading' with an assembly where the children paraded around showing off their costumes, a 'curl up and read' storytime and a very special Quidditch session for PE. It was a truly magical day!

Coming up next week

In Maths we will be starting a unit of work on division.
In English the children will be writing an alternative scene for our class text, Hom.

Ways to support at home

Reading x5 a week
