

## Jet Class Newsletter

In Maths this week the children have been applying their understanding of place value to help them add two 2 digit numbers. We worked practically with Diennes initially to deepen our understanding and then moved onto a written method. In English we have been writing a diary entry in role as Farmer Brown from our class text *Click Clack Moo Cows That Type*. The children have been thinking carefully about how to make their writing more descriptive by using a range of adjectives. In Science we have been thinking about the life cycle of frogs and in RE we have thought about how we can apply the moral lesson of caring for others as shown in the Christian story of the Good Samaritan.

### Coming up next week

In Maths we will be using a number line as an alternative written method of helping us to add two 2 digit numbers.

In English we will be planning letters trying to persuade Farmer Brown to give in to the animals' demands!

### Ways to support at home

Reading x 5 a week

#### Mathletics task:

Place value

(please note the children have not seen 10's and 1's represented on an abacus but are confident with the language)

Partitioning 2 digit numbers

Key dates coming up:

INSET Day - Friday 11<sup>th</sup> October

Trip to St Augustines Farm - Monday 14<sup>th</sup> October
