

Jet Class Newsletter

We have had a brilliant week back in Jet Class as Year 2s! We loved our WOW experience to immerse ourselves in our new project 'What's in my World?' and loved exploring our new classroom environment.

We were extremely lucky to have Mr Kingston (the farmer) come in to talk to us all about his job as a diary farmer in Wickwar. He told us all about the animals he has on his farm and how he looks after them every day. It was very interesting and we used the information he told us to write a recount during our English lesson. We remembered to use the correct punctuation and to write in the past tense using -ed.

Key dates: Wickwar walk - Tuesday 10th September

Meet the teacher - Thursday 12th September @ 3.40 (children will be looked after by Mrs Grainger in her classroom)

Coming up next week

In Maths, we will be partitioning two digit numbers in tens and ones using the dienes and comparing numbers to 100.

In English we will be using role play to think about how the characters in our class text 'Click, Clack Moo' feel and then use this to create a persuasive poster advertising the farm.

Way to support at home

We are currently assessing the children on their spellings from last year, once we have completed these assessments we will issue the children with new spellings. Spellings will be tested each Thursday.

Please remember to read with your child five times a week, it is extremely important that they are reading frequently at home.
