

## Jet Class Newsletter

We are really enjoying our new class text 'Hom', we have been using the pictures in the book to write setting descriptions of the island and character descriptions of Hom. We also applied our grammar skills from this week using commas in lists.

In DT we started designing our moving vehicles for our mini outcome 'How will it move? We explored different ways of fixing axels and wheels to a chassis.

In geography we named and labelled the seven continents and five oceans of the world.

In Maths we have been learning all about statistics, creating pictograms and block charts and interpreting the data collected.

### Coming up next week

In English we will be planning our stories, we will be innovating the middle of our stories think of exciting adventures for Hom and his friend.

In Maths we are moving on to positional language, including, half, quarter and three-quarter turns.

### Way to support at home

Please send any small cardboard boxes into school ASAP (see message on Google Classroom)

We had a lot of children not getting their raffle ticket for reading 5 times last week. Please support your children with their reading at home. Many Thanks
