

## Jet Class Newsletter

It has been a great week in Jet Class this week.

We have been creating our non fiction reports about Artic animals using our home learning facts. We applied our grammar skills using the power of 3, co ordinating conjunctions and sentence types.

In Maths we have been subtracting 2 digit and 2 digit numbers crossing 10. We used the tens and ones grid method to solve problem solving problems.

In Art we have been learning about the sculpture artist Andy Goldsworthy, we have looked carefully at his artwork and discussed our likes and dislikes.

We are really enjoying our recorder lessons!!

Coming up next week	Ways to support at home
<p>We will be assessing the children in maths, reading and grammar.</p> <p>In English we will be hot seating and writing question for Dr Morley. We will be writing a diary entry in role.</p> <p>In Art we will be creating our own natural material sculptures in the playground in the style of Andy Goldsworthy.</p>	<p>Reading x 5 a week</p> <p>Practice weekly spellings ready to test on Fridays.</p> <p><b>Mathletics task:</b></p> <p><b>Addition and Subtraction.</b></p>
