

Jet Class Newsletter

It has been a busy start to Term 3 and we are getting back into the swing of things.

We had an amazing WOW day and we were so impressed with everyone's super explorer costumes. The children loved exploring the new classroom environment and spent the morning building their own explorer vehicle using the playpod equipment in the playground.

We have moved from phonics learning to spelling objectives. This week the children have been learning the rule of 'dropping the e' to add 'ing' to root words.

In Maths we have been revisiting our knowledge of 2D and 3D shapes and sorting shapes into different categories.

Coming up next week

We will be starting our recorder lessons on Thursday.

We will be reading our new class text 'The search for the giant Arctic jellyfish' and writing wanted posters.

In maths we are developing adding and subtracting 2d and 2d numbers crossing 10.

Ways to support at home

Reading x 5 a week

Practice weekly spellings ready to test on Fridays.

Arctic home learning (see sheet sent home)

Due on Friday 19th January -please bring into school. They will need this for their writing in Week 3.

Mathletics task:

Addition and subtraction.
