

Jet Class Newsletter

We have had a Geography focus this week in class and the children have been thinking about the types of different buildings there are in Wickwar village. We used ipads to zoom in and out of an aerial view of Wickwar to look for examples of housing, farms, industrial buildings, the school and the quarry. On Tuesday we took a walk up to the High Street and the children carried out a traffic survey. We discovered that due to the weight restriction on the road by the traffic lights, Wickwar does not have heavy lorries passing through it. We thought about what villages and towns the many cars that passed through may have been travelling to and reasons why people might be going there. The children, as always, were very well behaved and represented the school brilliantly out in our local community. Well done Jets!

Coming up next week

In English we will be writing our innovated versions of Farmer Clegg's Night out. We will be including our characters that we have created performing at the talent show.

In Maths we will be finding lines of symmetry in 2D shapes.

Ways to support at home

Reading x 5 a week

Mathletics task:
How many edges?
How many faces?

Key dates coming up:

Christmas Sale - Friday 6th December

KS1 Christmas Performances: Tuesday 10th December @ 9.30 and Thursday 12th December @ 2.30

Parent Journal Share - Thursday 19th December 2.45pm in Jet Class
