

## Jet Class Newsletter

It has been a busy week in Jet finishing off some lovely learning we have done in class this term. The children have written some amazing sequels to our class story 'The Search For The Giant Arctic Jellyfish' and it has been wonderful to see them drawing on their knowledge from other areas of the curriculum, such as Science and History, to help them. In Maths we have been developing our knowledge of length and practically using rulers to measure items around the classroom accurately. In Science we rounded our topic off on Animals and Living Things by going out into the playground and around the classroom to find items that are alive, dead or have never been alive.

Coming up next week	Ways to support at home
<p style="text-align: center;"><b>Enjoy the half term break!</b></p>	<p style="text-align: center;">Reading x5 a week</p> <p style="text-align: center;">Mathletics task: Ordering Length How Long Is that?</p>
<p>Key dates coming up:</p> <p>First day of Term 4 - Monday 24<sup>th</sup> February</p> <p>World Book Day - Thursday 6<sup>th</sup> March</p>
