

## Jet Class Newsletter

Another busy week in Jet Class!

In English we have been planning our stories based on our class text 'Hom'. We have created our own story maps, innovating the middle and end sections of the story. In Maths we have been recapping addition and subtraction using the mathematical language (greater than, less than and equal to).

In DT we have started to construct the chassis for our moving vehicles using cardboard boxes and collage materials, we have been following our designs very carefully. In Dance we have been working in small groups to retell the story of 'The Three Little Pigs' we have travelled in different ways, used a range of basic actions and listened and followed the music to retell the story.

**Key dates coming up:**

**Monday 1<sup>st</sup> July and Wednesday 3<sup>rd</sup> July - Shuffle up mornings.**

**Jet Class Project Outcome – Thursday 18<sup>th</sup> July @2.45**

### Coming up next week

In English we are starting to write our stories, applying all the grammar skills we have learnt this year.

In Maths we are recapping 2d and 3d shapes, focusing on identifying their properties.

### Way to support at home

Ask your child to name 2d and 3d shapes around the house and environment and ask them to describe the properties (number of vertices, sides, edges, faces)
