

Ruby Class News

In **English** we have been very busy writing our short stories about 'Toys in Space'. The children have shown great focus and perseverance whilst completing their stories and should feel proud of these. In **Maths** we have been finding $\frac{1}{2}$ and $\frac{1}{4}$ of quantities, using resources to help us share to solve these problems. Our **Geography** this term is all about the UK so we have been learning the four different countries and their flags. This week we found out some information about Scotland and have made an information poster all about it. In **DT** we have been exploring joining by threading, glueing and stapling. We will continue our sewing learning next week as we have a go at running stitch in binca fabric.

DT—exploring joining techniques

Coming up next week	Way to support at home (home learning)
<p>In English we will be exploring invitations to find their features.</p> <p>In Maths we will be learning to count, read and write numbers up to 100.</p>	<p>Read 5 times a week</p> <p>Go through sounds in blue phonics books (new sounds stuck in on Fridays)</p> <p>Mathletics set each Friday</p>

Have a lovely weekend,

Mrs Grainger
