

Ruby Class News

I hope you all enjoyed the Christmas performances this week and left feeling very festive. The Rubies all did a great job singing, with a few dancers and villagers too, well done all!

In **Maths** we have been learning to recognise and know the value of coins and notes. Although cash can be less frequently used in day to day life money recognition is still a useful topic to support your child with at home where you can. In **DT** we have made our moving pictures this week. The children have practiced the skills, designed and made these independently (bar some small help with split pins and hole punches) and are looking forward to sharing these with you next week.

DT – sliders and levers to create moving pictures

Key dates:

Monday 16th December – Pirate day (dress up). Parents invited to join us for a sea shanty and journal share @ 2.45pm

Tuesday 17th December – KS1 Christmas party, children to bring in a named/ wrapped party plate with a few party snacks for themselves

Wednesday 18th December – Christmas dinner

Friday 20th December @ 9.00am – coffee and carols

Coming up next week	Way to support at home (home learning)
In Art we will be practicing our drawing skills, exploring and drawing light and dark lines, lines of different thickness and patterns.	Read 5 times a week Mathletics learning (set each Friday)

Thank you for supporting us at the class sales last Friday. The money raised selling our fish paintings will be used to enhance our classroom in the coming terms.

Have a lovely weekend, Mrs Grainger
