

Ruby Class News

In **English** we have been learning about exclamation marks and know that they can be used to show writing being bossy, shouting or surprising. We sorted sentences into those that would need exclamation marks and those that just need a full stop. We have also written short speech bubble exclamations for some of our 'Lost in the toy museum' book characters. In **Maths** we have been completing missing number 100 squares to help us recognise numbers up to 100. We have been looking at patterns in bigger numbers and have been making them using tens/ ones and numicon. We have been doing lots of **Art** learning on our final outcome piece ready to share with you at our [journal share next week](#). These are looking fantastic and the children are looking forward to sharing these and all their project learning with you all.

Maths – exploring, making and drawing numbers within 100

Coming up next week	Way to support at home (home learning)
In English we will be writing our own simple instructions.	Read 5 times a week (Books changed on Friday)
In Maths we continue of learning about numbers and their place value within 100.	Go through sounds in blue phonics books
	Mathletics tasks – Place value 1

Key dates:

Monday 31st March @2.45pm – [Please join us for a journal share!](#)

Tuesday 1st and Wednesday 2nd April – parents evening appointments

Have a lovely weekend,

Mrs Grainger
