

Ruby Class News

In **English** we have started our learning about instructions, investigating the features and spotting them in lots of different types of instruction. In **Maths** we have been learning to tell the time to half past following on from last weeks learning about o'clock. We have been making the times on clocks as well as drawing the hands on blank clock faces. We have continued the Easter story in **RE** and this week read the story of Good Friday. We talked about why Christians call it 'good' when it seems like a sad time. Our **Jigsaw** this term is Healthy Me and this week we have been talking about medicine safety. We thought about why medicines have instructions, when we might need medicine and who should give it to us.

Jigsaw – working in teams to sort always, never or sometimes safe for our bodies

Coming up next week	Way to support at home (home learning)
<p>In English we will learning about exclamation marks and using them in speech bubble writing.</p> <p>In Maths we will learning about numbers within 100.</p>	<p>Read 5 times a week</p> <p>Go through sounds in blue phonics books</p> <p>Mathletics tasks – days of the week and weekdays/weekends</p>

Key dates:

Monday 31st March @2.45pm – project outcome and journal share

Tuesday 1st and Wednesday 2nd April – parents evening

Have a lovely weekend,

Mrs Grainger
