

# Ruby Class News

An exciting week in Ruby class as we were all surprised when the snow started falling on Tuesday!

In **English** we shared our new story *Setsuko and the Song of the Sea*. We used the message of the story to inspire us to write and make information posters for how to save the sea. In **Maths** we have been investigating 3d shapes, exploring faces by printing and rolling. The children have really enjoyed the exploring the properties this week.

*Maths – exploring properties of 3d shapes*

Key dates:

## **Class trip to Bristol aquarium – Friday 29<sup>th</sup> November**

Children must be wearing their **full school uniform**, an alternative day for Ruby class to dress up/wear non-uniform will be our planned pirate day. Children will need to bring their packed lunch and water bottle in a bag/rucksack and their coat. No book bags will be needed in school that day – reading books will be changed on Thursday 28<sup>th</sup> November and stamped for 4x reading that week.

<b>Coming up next week</b>	<b>Way to support at home (home learning)</b>
<p>In English we will be rewriting a simple version of <i>Setsuko and the Song of the Sea</i>.</p> <p>In Maths we will finding related facts. Eg. <math>5 + 5 = 10</math> so <math>10 - 5 = 5</math></p>	<p>Read 5 times a week</p> <p>Mathletics learning (set each Friday)</p>

Have a lovely weekend,

Mrs Grainger
