Dear Parents,

Next Wednesday I would like to invite the children back to school at 5.15pm for a bedtime story and some stargazing. We will have a story with a warm drink and a biscuit and then, when it is dark enough, we'll go outside and see if we can spot any of the stars, constellations or planets that we have been learning about. We will be finished at 6.30pm. Children can wear pyjamas and bring a teddy if they'd like to. Please wear warm coats and sensible shoes as we will be stargazing on the field.

Thank you for the fantastic turn out at the journal share and literacy meeting. It was great for the children to be able to celebrate their learning with you.

Coming up next week	Ways to support at home
