

# Topaz News

Dear Parents,

This week we have been thinking about autumn and all the changes that happen. We read the book 'The Leaf Thief' and have used our imaginations to create stories about the journey the leaf goes on when it falls from the tree. We have also been thinking about the darker evenings and how to be safe when walking in the dark. We had a 'Be Bright Be Seen' assembly then made posters to explain how to be more easily seen in the dark.
