Dear All,

What a wonderful week it has been!

We have continued to enjoy the traditional tales. We made houses for bears in forest and have continued to enjoy them in the classroom,

## Maths

This week our maths clip has been one of my absolute favourites.

This has helped us think about number patterns and we have been counting in 2s, 5s, 10s. Some of us have also explored 4s to 20.

We have also carried on playing games and singing songs that will help us recall number bonds. We love the sausage song!
