

Topaz News

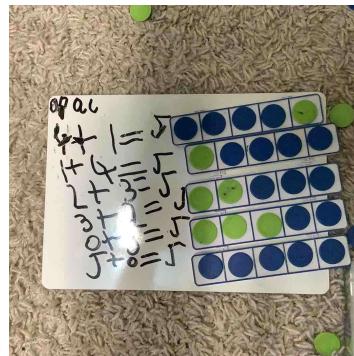

Dear Parents,

We have one week left to practise our Christmas performance before you all come and watch. Parents and Grandparents are all welcome – the more the merrier. After the performance, we will be serving refreshments for a donation. With the performance and refreshments, we think a journal share as well would be too much for one day! We will hold the planned journal share early in the New Year.

Please remember to let me know if you would like to order any extra personalised baubles. These will be available to purchase after the performance for £5 each. Any profit we make will be used to enhance the resources and environment in our classroom.

Here are some photos of our learning this week. Painting snowmen, practising our scissor skills, making 5 in different ways and building a stable for a Nativity scene. We have also had lots of opportunities for writing!
