

Topaz News

Dear All,

It has been another fabulous week of exploring the jungle and making up adventures for Superworm.

We also found some time to cool ourselves down in the heat with some Cosmic Kids bug yoga and explored our outside area to see which small creatures live there on a sunny day. We thought the best place to look was definitely the shade!

Next week we will be starting to think about ducks, swans, otters, fish and water ready for our trip on the 16th July.

In maths this week we have carried on thinking about 8 and for fluency we have been working on one less than. To support from home, give your child a number and ask them to tell you the number one less. Start under 10 to make it manageable.

Please remember sun hats with a name inside somewhere.

<p>Coming up next week</p>	<p>Ways to support at home (home learning)</p>
<p>- Visits to Mrs Grainger and Mrs Jones Monday and Wednesday for an hour on each occasion</p> <div data-bbox="253 1554 657 1749"> </div> <p>- End of term celebration invite 22.07.2024</p>	<div data-bbox="815 1458 874 1554"> </div> <p>5 times a week reading!! Don't forget to sign for your 5 times a week towards your medal. 5 weeks of 5 times a week needed!!</p> <p>To clarify this is 5 home read. We will read with the children in school but the aim is to support a 5 time a week of home reads.</p>

Have a lovely long weekend break,

Sally Windmill
