

Topaz News

This week we had a cricket taster session run by a coach. The children engaged really well and had fun playing the games.

In class, we have read *The Smeds and the Smoos* and designed and made our own aliens using modelling foam. We have been using descriptive vocabulary to describe what they look like. We have also used the language of taller and shorter to describe height.

We are looking forward to our WOW Day next week where we will test the rockets on the launcher!

Percentage of Topaz children that have read 5 times this week:

74%
