

Topaz News

Dear Parents,

This week has flown by. Lunches have been a huge success. All of the children are settling in really well and getting used to the new routines, expectations and learning environment.

Playtimes

We have been out at playtime with the whole school this week, the children have met some of the older children in the school and had the chance to play with older brothers and sisters on the playground. From next week, we will be encouraging siblings to come and say hello and then go and play with their own friends. This will allow our children to develop their own friendships and games.

Arrival and Collection Next Week

<p>This is the gate the children will come into school through next week. Mrs Joyner will be there to welcome them and make sure they know where to go and Mrs Newcombe will be waiting for them in the classroom.</p>	<p>This is the door the children will come out of at the end of the day (3.30pm) next week. Please wait on the playground. When your child is at the front of the line, give them a big wave so they know which direction they are going in.</p>
	

Back-Packs

Please can we ask that children don't bring back-packs in every day. If they carry their water bottles, packed lunches and book bags in separately, it is easier for them to put everything in the correct places. Back-packs can be used to bring labelled Forest clothes on Fridays!

Important Dates:

Have a wonderful weekend,
Mrs Newcombe
